Dr Neeraj Jain
Organizing Chairman

Dr Rajan Verma
Organizing Secretary

Dr Alok Jain
Organizing Co Chairman

Dr Vagish Dave
Organizing
Co Secretary

We, the Office bearers of The Association of Practising Pathologists, Regd. (APP) are pleased to share that we are organizing **7th Annual Conference of the Association of Practising Pathologists, India** (PATHCON & Lab Expo 2023), which is going to be held virtually on **16th December 2023 & in Hybrid mode at Hotel The Lalit, New Delhi on 17th December 2023.**

The theme for this conference is **“Pathway to precision in Pathology–Artificial intelligence”**. Our previous Pathcons have been a grand success, attended by large number of delegates and faculty of National & International repute. All our exhibitions saw the maximum participation from our highly enthusiastic medical and diagnostic industry partners. Heavy footfalls made all the expos a runaway success. We got extraordinary compliments from one and all including delegates, faculty and industry partners.

Highly motivated from the past success, we have planned this prestigious mega event this year too. We are confident of a larger participation of Pathologists, Microbiologists, Biochemists and Laboratory consultants from all over India and abroad.

We expect the wholehearted participation from all our industry partners in this conference which of late has emerged as one of the largest, prominent and most prestigious event in North India. It has been an excellent platform to share and showcase the latest technologies and products to the lab professionals from all over India, most of whom are decision makers.

Delhi has a wide choice of hotel accommodation for different budgets. Kindly make your arrangements for travel and stay, well in advance. The weather in Delhi in December is cool and pleasant, though light jackets and woollens will be required. The organising committee welcomes all the delegates to avail the discounted early registration rates and actively participate in this landmark event in the history of our Association.

You can participate either by becoming the Conference Partner or booking single/multiple Exhibition Stalls or participating in Workshops/ Scientific sessions. We promise you an out of the world experience and will offer lots of privileges and surprises!

Please note that bookings are on First come first serve basis so we request you to confirm at the earliest.

Thanking you.

Yours sincerely,

Organizing Committee
